PURPOSE OF THE GROUP

- Removal of barriers and change the narrative to increase the numbers and raise the profile of Inclusive Entrepreneurs.

- To raise awareness of current conditions affecting entrepreneurs who have protected characteristics particularly disabled entrepreneurs.

- To seek Parliamentary support and/or scrutiny of the Secretary of State for The Department for Business, Energy and Industrial Strategy (BEIS), and other appropriate Ministers and Shadow Ministers in any consultations on inclusive entrepreneur related issues.

PURPOSE OF THE GROUP

- Encourage oral and written questions from members of parliament to Government regarding supporting inclusion in entrepreneurship.

- To keep under review policies, as well as funding and development programmes, both in the UK and abroad, and the effect these have on entrepreneurs who have protected characteristics, particularly disabled entrepreneurs.

- Assess how inclusive entrepreneurs might respond to changes in the business climate including the pandemic and to seek action by Parliament and the Government.

- Support the development of an Inclusive Entrepreneurship mentoring programme involving business leaders and start up entrepreneurs with protected characteristics.
